Carl von Clausewitz : On War: Vom Kriege before purchasing it in order to gage whether or not it would be worth my time, and all praised On War: Vom Kriege:

1 of 1 people found the following review helpful. Officer's, NCO's Enlisted All branches, Required ReadingBy SGT MAYHEMJust like Sun Tzu's "Art of War", Chief Joseph's account of the Nez Perce fighting withdrawal and the writings of Washington, Patton, Rommel.Von Clausewitz is required reading for any member of the Armed Forces aspiring to rank, competency, and excellence. To my Brothers and Sisters still in stay safe and God Bless, the same to

Vets and Welcome home. From an Airborne grunt, Combat Vet...1 of 1 people found the following review helpful. Realist approach to politics and warBy AlexThe holistic interaction of diverse factors that make-up the continuum of politics and war. A realist approach to politics and war it is as valid today as it was when his wife Marie edited the final version in 1834. Unlike the "cookbook" approach of Joemini that was revised many times, Clausewitz's ideas are general theories that apply to the ages.0 of 0 people found the following review helpful. its a difficult read- kind of like Shakespeare for militaryBy Customerneeded it for school, tried to use the iPhone reader for accessibility to listen to it... need an audio version, its a difficult read- kind of like Shakespeare for military buffs

"War is the continuation of politics by other means." On War is the most significant attempt in Western history to understand war, both in its internal dynamics and as an instrument of policy. Since the work's first appearance in 1832, it has been read throughout the world, and has stimulated generations of soldiers, statesmen, and intellectuals. Clausewitz based his study on his observations and his own experience in the French Revolution and the Napoleonic Wars. He also included examples of those wars and others to support his assertions. His profound theoretical explorations of strategy changed the shape of modern warfare. Two centuries later, On War remains both controversial and an influence on strategic thinking. *The work remained unfinished at the time of Clausewitz's death and was later completed by his wife. This is Volume 1.

About the AuthorCarl Philipp Gottfried von Clausewitz (1780 – 1831) was a Prussian general and military theorist who stressed the "moral" (in modern terms, psychological) and political aspects of war. His most notable work, Vom Kriege (On War), was unfinished at his death.
