Peter Burchard : One gallant rush;: Robert Gould Shaw and his brave Black Regiment before purchasing it in order to gage whether or not it would be worth my time, and all praised One gallant rush;: Robert Gould Shaw and his brave Black Regiment:

4 of 4 people found the following review helpful. review of robert shaw bookBy Eric SmithThe information was factual and interesting. I learned things about Shaw and his regiment that I didn't know. The letters were quite interesting. He was a no nonsense kind of officer that you didn't take for granted . Yet he was a man of deep conviction and compassion for his fellow man.35 of 38 people found the following review helpful. A hero comes back to lifeBy joan a. sheltonRobert Gould Shaw was that shy, stubborn hero of the movie "Glory": a Boston aristocrat, reared among abolitionists, struggling to break free from the iron grip of his mother, a good soldier, a born leader. Peter Burchard's book is still the best for bringing the young Colonel to life before our eyes: reading military history in his tent, courting his future wife, fighting on great battlefields, and displaying awesome moral courage as well as physical courage. A complex and in some ways a heavy-burdened young man, he took on the uncertain, unpopular and dangerous job of organizing, training and leading the nation's first black regiment. He certainly knew before he took the job that in order to prove that "Black Men could fight as well as White Men" he would probably have to lose his life along with many of the men who would come to trust him. The story of how he battled every kind of prejudice and

misunderstanding, as well as the common hazards of poor food, boredom, cold, homesickness, and the grief of leaving his wife of just three weeks, makes for a well-presented saga; 140 years later it's still worth pondering. It proves that one cheerful, rather ordinary young man--a dedicated man--can make a difference. 1 of 22 people found the following review helpful. OkayBy HarveyThis was a okay book The movie was adpted from this?

New York, NY, St. Martin's Press, 1965. 1st Edition, 1st Printing. VG+/VG. 168pgs(Index), 1/4" tapemended DJ top rear edge, 1/8" one head of spine.
