Excellent information and reference book Showed slight signs of exposure ...By Christine GoraThe book was purchased for my husband who said it is everything he expected. Excellent information and reference book Showed slight signs of exposure to moisture and dust particulars possibly from storage for a long period of time. Nothing wrong with the book just a little physical damage.0 of 0 people found the following review helpful. The Thin Red LineBy CustomerA very outstanding book . Lots of information in it. Thank You0 of 0 people found the following review helpful. Usefull to the collector, historian, and antiques dealerBy J. R.As a collector, historian, and antiques dealer, this book is most useful to me to help identify objects - No one-book will cover everything, I suggest you gather several varied types for your library for what ever topic you wish to review.

This detailed study looks at the uniforms of the British Army between the Seven Years War and the eve of World War I. 185 full-length figures and nearly 800 enlarged details of parts of uniforms and headgear, insignia, weapons and

accoutrements are accompanied by explanatory text.
