Salvatore Lupo : The Two Mafias: A Transatlantic History, 1888-2008 (Italian and Italian American Studies) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Two Mafias: A Transatlantic History, 1888-2008 (Italian and Italian American Studies):

A realistic understanding of the mafia must avoid depictions both of a monolithic organization and of localized, isolated groups. Here, renowned historian Salvatore Lupo analyzes the mafia as a network of varied relationships and institutions, the result of a complex cultural and social encounter that was shaped by multiple, diverse environments.

Salvatore Lupo's *The Two Mafias* is an important contribution to an emerging body of literature that seeks to provide a sober, comprehensive analysis of the transatlantic ramifications of the Sicilian Mafia. *The Two Mafias* is a meticulous analysis of the historical record on the relationship between American and Sicilian mafiosi, and it is a profound critique of the academic debate of the past seven decades on the Mafia in the United States. (Klaus von Lampe, *Criminal Law and Criminal Justice Books*, clcjbooks.rutgers.edu, July, 2017) About the Author Salvatore Lupo is Professor of Contemporary History at the University of Palermo, Italy. The foremost and most frequently cited authority on the history of Sicilian mafia, he has published over 20 books and is a co-founder of the journal *Meridiana*.
