**Horatio T. Strother : The Underground Railroad in Connecticut** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Underground Railroad in Connecticut:

1 of 1 people found the following review helpful. Hiding.By seacrestAlways wanted to understand just what "The Underground Railroad" meant in Rocky Hill. Seen the older houses with the hidden places. Wonderful book for history. Thank you for writing it.1 of 1 people found the following review helpful. Five StarsBy Mary L. Brunsongreat

research for the historian and ensite about slaves either in connecticut or passing through2 of 2 people found the following review helpful. Full of historical information and interesting anecdotesBy A. RobertsThis well written book was very informative and entertaining. It helped that it was written by one of my third cousins!

Here are the engrossing facts about one of the least-known movements in Connecticut's history—the rise, organization, and operations of the Underground Railroad, over which fugitive slaves from the South found their way to freedom. Drawing his data from published sources and, perhaps more importantly, from the still-existing oral tradition of descendants of Underground agents, Horatio Strother tells the detailed story in this book, originally published in 1962. He traces the routes from entry points such as New Haven harbor and the New York state line, through important crossroads like Brooklyn and Farmington. Revealing the dangers fugitives faced, the author also identifies the high-minded lawbreakers who operated the system—farmers and merchants, local officials and judges, at least one United States Senator, and many dedicated ministers of the Gospel. These narratives are set against the larger background of the development of slavery and abolitionism in America— conversations still relevant today.

“Mr. Strother's work is important for he has added to the knowledge of one facet of United States history about which the entire story will never be known because of the very nature of the movement.”—The Journal of Negro History (now the Journal of African American History)
