Carol E. Mull : The Underground Railroad in Michigan before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Underground Railroad in Michigan:

2 of 2 people found the following review helpful. An amazing study By Bizzy Reading This is a very important book for anyone interested in the history of slavery and abolition in the U.S. and especially in the activities of the Underground Railroad. It is a scholarly work but at the same time very readable. Extensive footnotes and bibliography ensure the accuracy of Ms. Mull's work. I especially enjoyed the vignettes that begin each chapter. 4 of 4 people found the following review helpful. Fascinating! By Hilarity This book is a captivating read! I was inspired by the first hand accounts throughout the book. A must read for history buffs! 0 of 2 people found the following review helpful. IT'

OKAY By Bruce Barton comments To much Washtenaw County. By comparison, not a great deal about the Western route. If Lewis Clark is mentioned, I missed it.

Though living far north of the Mason-Dixon line, many mid-nineteenth-century citizens of Michigan rose up to protest the moral offense of slavery; they published an abolitionist newspaper and founded an anti-slavery society, as well as a campaign for emancipation. By the 1840s, a prominent abolitionist from Illinois had crossed the state line to Michigan, establishing new stations on the Underground Railroad. This book is the first comprehensive exploration of abolitionism and the network of escape from slavery in the state. First-person accounts are interwoven with an expansive historical overview of national events to offer a fresh examination of Michigan's critical role in the movement to end American slavery.

"A remarkably readable book...a useful resource for many years to come." --The Annals of Iowa
About the Author Carol E. Mull is a founding member of the Michigan Freedom Trail Commission. A historic preservationist and Underground Railroad scholar, she lives in Ann Arbor, Michigan.
