Bong K. Lee : The Unfinished War - Korea before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unfinished War - Korea:

The Unfinished War: Korea is a time-sensitive manuscript concerned with the Korea War and current North-South issues including the North Korea's nuclear weapons. The author: · lays out the history of American involvement in Korea before, during, and after the war; · provides cross-cultural perspectives and an account of the war unparalleled

for its breadth and depth based on recently declassified documents, interviews, and other references; · discusses new developments, including South Korea's so-called "economic miracle," President Bush's inclusion of North Korea in the "axis of evil," and emerging prospects for war or peace today; and · includes concrete, personal realities and anecdotes based on the experiences of Koreans.
