Robert H. Gudmestad : The View from Saturn: Poems before purchasing it in order to gage whether or not it would be worth my time, and all praised The View from Saturn: Poems:

0 of 0 people found the following review helpful. Very useful for students that wish to know and understand the ...By victor pateVery useful for students that wish to know and understand the truth about the ugly behavior of America's past and the fact that kidnapped people never went quietly into submission.

When Congress outlawed the international slave trade in 1807, the sporadic practice of selling slaves from one state to another expanded rapidly. This study provides an in-depth examination of the growth and development of the interstate slave trade during the early 19th century.

About the Author Robert H. Gudmestad is an assistant professor of history at the University of Memphis, Tennessee.
