Jake Melampy : The Viper Story, Part II: Test Training F-16s before purchasing it in order to gage whether or not it would be worth my time, and all praised The Viper Story, Part II: Test Training F-16s:

The follow-on to the Viper Story, Part I, this hard-bound book details the F-16 as used by USAF squadrons that perform testing and/or training duties. Featured Wings are the Weapons School at Nellis AFB, Nevada; the famous Aggressor squadrons from Eielson AFB, Alaska, and Nellis AFB, Nevada; the 412th Test Wing at Edwards AFB, California; 53rd Wing at Eglin AFB, Florida; 56th Fighter Wing at Luke AFB, Arizona, and the three training squadrons with the Air National Guard (Ohio, Texas, and Arizona). This is a "right now" publication, featuring modern-day operations inside these fighter wings.
