Mark Adkin : The Waterloo Companion: The Complete Guide to History's Most Famous Land Battle before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Waterloo Companion: The Complete Guide to History's Most Famous Land Battle:

1 of 1 people found the following review helpful. The research that went in this book is awesome and most informative. By m ziemann If you are a follower of the last days of Napoleon and this battle, this book is a must.. It gives you more information than you can imagine, it covers all the armies involved in this battle. The research that went in this book is awesome and most informative. Again I say, if you are a student of history you must purchase this book. 0 of 0 people found the following review helpful. This is a wonderful book that has been hyped too much. By

Customer This is a wonderful book that has been hyped too much. Hard for it to live up to my expectations. 0 of 0 people found the following review helpful. A treasure trove of facts and useful information to support one's knowledge and enjoyment in reading ...By Douglas M Oglesby Tremendous compendium of information on one of the most fascinating and important battles ever. A treasure trove of facts and useful information to support one's knowledge and enjoyment in reading about this battle.

There have been many books about Waterloo, but never one to rival this in scale or authority. The text, based upon extensive research, describes both the battle and the campaign that preceded it in detail, drawing upon the first-hand accounts of participants on all sides in order to give the reader a vivid feeling for the experiences of those who fought upon this most celebrated of all battlefields. The many full-color maps, all specially commissioned for the book, and the numerous diagrams and photographs, the majority in color, as well as sixteen pages of original paintings, make the book a feast for the eyes and a collector's dream.

"An excellent account and valuable reference book." (The Telegraph 2001-10-06) "An impressive work." (Jeremy Black, professor of history, University of Exeter 2008-05-19) About the Author Mark Adkin, a former army officer, is the author of several books on military history.
