Burke Davis : They Called Him Stonewall: A Life of Lt. General TJ Jackson, CSA before purchasing it in order to gage whether or not it would be worth my time, and all praised They Called Him Stonewall: A Life of Lt. General TJ Jackson, CSA:

1 of 1 people found the following review helpful. Civil War History at Its Best!By Gilberto VillahermosaLike all of Historian Burke Davis' works, this book is well researched, well written, insightful, and compelling. Davis weaves a powerful and even moving narrative of Confederate General Stonewall Jackson. Unlike most Civil War historians,

Davis does not shy away from discussing Jackson's mistakes and failures of command. This book is recommended for students of the American Civil War, Robert E. Lee and Stonewall Jackson, and the Confederate and Union armies they commanded or fought. 1 of 1 people found the following review helpful. Best read of the summer By DumbFish What a well written book. I was captivated from the first paragraph. Mr. Davis's research displays itself as a work from the heart. My only regret is the lack of the photographs that could have been included, alas if you seek those you will have to search the net for them. A couple of maps wouldn't have hurt either. Short of that, this was a great read and well worth your time. 1 of 1 people found the following review helpful. He really had no love for the Confederacy By Customer This work paints Stonewall Jackson as neither hero or villain, but as a man who wanted to defend his precious Virginia. He really had no love for the Confederacy, his love was for his Virginia and his wife. His only thought was to end the war and protect Virginia so he could be with his wife he loved so dearly. He was clearly uncomfortable with his fame and greatness. He lived and died as the soldier he was.

A Life of Lt. Gen. T.J. Jackson, C.S.A. Dramatic account of the life and times of "Stonewall" Jackson, brilliant military strategist of the Confederacy. Engaging style and thorough research make this indispensable for the casual reader as well as the serious student of the Civil War. Photos and maps.

From the Inside Flap A Life of Lt. Gen. T.J. Jackson, C.S.A. Dramatic account of the life and times of "Stonewall" Jackson, brilliant military strategist of the Confederacy. Engaging style and thorough research make this indispensable for the casual reader as well as the serious student of the Civil War. Photos and maps.
