Daniel Balfour : Thirteenth Virginia Cavalry (Virginia Regimental Histories Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Thirteenth Virginia Cavalry (Virginia Regimental Histories Series):

of these Cavalry histories. They are very thorough and offer information not found in books that just cover the main battles. These tell you situations involving skirmishes and exactly who and what troop is involved. If you are an intermediate Civil War buff or expert you will enjoy being able to take in more information than most on the subject. A definite must have for the Civil War fanatic! I love them.
