Michael Fellman, Lesley J. Gordon, Daniel E. Sutherland : This Terrible War: The Civil War and Its Aftermath (3rd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised This Terrible War: The Civil War and Its Aftermath (3rd Edition):

Integrates the political, social, military, and economic forces of the Civil WarAbsorbing and accessible, This Terrible War : The Civil War and Its Aftermath deals with the American Civil War in a realistic and unromantic light, discussing the hard experiences of ordinary people and the uncertain decisions of military and political leaders. The title explores both the years leading up to the Civil War, and the war's aftermath in the North and the South. The discussion extends to 1896, reframing the period of the Civil War. NOTE: This is the standalone book.
