Norman Davies : Trail of Hope: The Anders Army, An Odyssey Across Three Continents (General Military) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trail of Hope: The Anders Army, An Odyssey Across Three Continents (General Military):

1 of 1 people found the following review helpful. Very detailed historical research. By Robert W. Audretsch As a historian that digs and digs in archives for the real words of survivors of the Great Depression I have high regard for this book. A lot of hard work is evident. The words of the survivors (and sometimes those who did not survive) are interwoven through the text thus painting a very credible look at history. Highly recommended. 3 of 3 people found the following review helpful. Five Stars By Customer excellent! It reads very well. I bought 2 more for gifts! 3 of 3 people found the following review helpful. Five Stars By Dennis Romaniuk Great read.

"Davies draws from years of meticulous research to recount the compelling story of this unit, the Polish II Corps or 'Anders Army', and their exceptional journey from the Gulag of Siberia through Iran, the Middle East and North Africa to the battlefields of Italy to fight shoulder-to-shoulder with Allied forces"--Amazon.com

About the Author Norman Davies FBA, FRHistS is a British-Polish historian noted for his publications on the history of Europe, Poland and the United Kingdom. He is widely regarded as one of the preeminent historians of Central and Eastern European history. He is the UNESCO Professor at the Jagiellonian University, Professor Emeritus at the University College London, a Visiting Professor at the College of Europe and an Honorary Fellow at St. Antony's College, Oxford.
