Sandra J Hiller : Turning Point Battles of the Civil War (Understanding the Civil War) before purchasing it in order to gage whether or not it would be worth my time, and all praised Turning Point Battles of the Civil War (Understanding the Civil War):

The outcome of the Civil War hinged on several pivotal battles in 1862-63. This volume covers the strategy, tactics, leadership, and outcomes of the key battles of Antietam, Fredericksburg, Chancellorsville, Vicksburg, Gettysburg, and Chattanooga. The short- and long-term consequences of each battle are explored for each army, and discussed in the

greater context of the war.
