McGee Airforce Fighter Combat Record Holder:

Colonel Charles E. McGee fought in World War II, in Ko-rea, and in Vietnam. He holds the record for the highest three-war total of fighter com-bat missions of any pilot in U.S. Air Force history. His military service began as one of the Tuskegee Airmen in the 332nd, famed pioneers who fought racial prejudices to fly and fight for their country in World War II, from North Africa, through Italy, into Germany, and finally in the heart of America itself.
