I found the part about the British perspective from the War of 1812- Battle of New Orleans especially novel.1 of 1 people found the following review helpful. war adventures of a soldier of the lineBy Manuel Cartamost of all war historical books of course provide us biographies of great commanders and their battle plans. This book however tells us about the real every day life of the ignored and unsung heroes of the wars.0 of 0 people found the following review helpful. twenty five years in rifle brigadeBy Customerpersonal account of fighting in Portugal and Spain against Napoleon armies, very interesting insights on how they did not seem to fear death

The Napoleonic Library is an outstanding collection of seminal works on the Napoleonic Wars. It features evocative contemporary memoirs and makes available once again the classic works on the subject by military historians.
