United States Air Force : U.S. Air Force Survival Handbook: The Portable and Essential Guide to Staying Alive (US Army Survival) before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Air Force Survival Handbook: The Portable and Essential Guide to Staying Alive (US Army Survival):

0 of 0 people found the following review helpful. Five StarsBy 312-255-0787--It was good, lots of detail, most useful, good value0 of 0 people found the following review helpful. Probably the most complete there is. It deals with ...By OscarProbably the most complete there is. It deals with the uncertainty of being lost in any kind of terrain and stresses the fact that you'll deal with adversity at any given point. Very informative.0 of 0 people found the following review helpful. Five StarsBy K. M. O'Neillgreat book

Designed for use in formal Air Force training, the U.S. Air Force Survival Handbook was written to help a pilot who finds him or herself in a hostile environment. For the more general reader, it offers a complete and comprehensive manual of outdoor survival techniques. It includes expert advice on: • First aid for illness and injury• Finding your way without a map• Building a fire• Finding food and water• Using ropes and tying knots• Concealment techniques• Signaling for help• Survival at sea• Building shelters• Animal tracking• Predicting the weather• And much more By outlining specific survival threats found at sea, in the desert, in mountain terrain, and in arctic conditions, and offering techniques on surviving them, this book, releasing on the seventieth anniversary of the U.S. Air Force, is invaluable to both the casual outdoorsman and the extreme sports enthusiast, as well as anyone looking for insight into the training tactics of the U.S. Air Force

About the AuthorThe United States Air Force is the aerial warfare branch of the United States Armed Forces. It is the largest air force in the world and one of the most technologically advanced. As part of the United States Department of Defense, it is headquartered in the Pentagon, in Arlington, Virginia.
