Barry Jason Stein : U.S. Army Heraldic Crests: A Complete Illustrated History of Authorized Distinctive Unit Insignia before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Army Heraldic Crests: A Complete Illustrated History of Authorized Distinctive Unit Insignia:

0 of 0 people found the following review helpful. The book I have been looking for. Have a ...By CustomerThe book I have been looking for. Have a massive collection that I can finally identify. Spent most of my adult life in the military and service organizations, now I can share in my excitement with my displays for all my veteran friends.1 of 1 people

found the following review helpful. Most Informative Book on U.S. Army Heraldic Crests By Michael Sinansky I used this book in assembling and displaying my collection of military crests. The author Barry Jason Stein certainly did his homework in providing the most extensive presentation of U.S. Army Heraldic Crests, intelligently grouped by branch of service (Infantry, Engineers, Armor, etc.), as well as the history of each U.S. Army Battalion, Division, Group, etc. in this 460 page informative book and definitive reference guide. 0 of 0 people found the following review helpful. great book for identifying crests although what the says what ... By Thomas Galyk great book for identifying crests although what the says what the unit is and the book are two different things

A comprehensive guide to the authorized unit insignia from the American Revolution through the Persian Gulf War.
