William F. Marshall : Ulster Sails West: The Story of the Great Emigration from Ulster to North America before purchasing it in order to gage whether or not it would be worth my time, and all praised Ulster Sails West: The Story of the Great Emigration from Ulster to North America:

0 of 2 people found the following review helpful. Interesting propagandaBy Allen waldrupWritten during the height of

ww2 by a northern Irish Protestant listing all the illustrious Scott - Irish he could think of!

A general account of 18th-century Ulster to America emigration, it starts with 1718 and covers the causes of the emigration and types of emigrants. Many Ulstermen are identified, particularly those conspicuous in the Revolutionary War, as well as those who were Presbyterian ministers, and others who held political positions or were in the field of education.
