**Abraham Lincoln Presidential Library Foundation : Under Lincoln's Hat: 100 Objects That Tell the Story of His Life and Legacy** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Under Lincoln's Hat: 100 Objects That Tell the Story of His Life and Legacy:

0 of 0 people found the following review helpful. Magnificent! By 18booth65I loved it! There are many interesting facts and photos in this book. I recommend this for anyone interested in Lincoln who has wanted something new. At first, I had the impression that this was a book for young people totally, but it's for everyone, young and older, who want to share the Lincoln experience with others. I have many books in my Lincoln library and this is one of the best. 0 of 0 people found the following review helpful. Lots Under The Hat By Elizabeth M. Rogers Great book. Especially if you have been to the Lincoln Museum in Springfield. 0 of 0 people found the following review helpful. Five Stars By Michael S. Barone Great book, thank you!

What is the oldest artifact linked to Abraham Lincoln? What does a poem written when he was just a schoolboy say about his character? Taking its cue from *The History of the World in 100 Objects*, the Abraham Lincoln Presidential Library and Museum have selected 100 items from their extensive and rare collection that will give readers an intimate glimpse into the turning points of Lincoln's life and presidency. From a page taken from his sum book, to the gloves Lincoln wore the night he was assassinated, these objects reveal a sense of the man and his times in a fresh and immediate way. Handsomely designed, with more than 125 photographs visually complimenting the text, *Under Lincoln's Hat* will be a gorgeous book and a great gift for anyone interested in one of the most iconic figures in American history.

*Under Lincoln's Hat* illuminates the life of our sixteenth president, Abraham Lincoln, in the most personal of ways through storytelling and imagery as only the Abraham Lincoln Presidential Library and Museum and its vast collections can do. It is a must-read for Lincoln lovers. (Pulitzer Prize Historian, Doris Kearns Goodwin, Pulitzer Prize-winning historian) [In praise of Gettysburg Replies] In 272 words, Lincoln's Gettysburg Address extolled the soldiers who had given the last full measure of devotion that the nation might live and experience a new birth of freedom. In the same number of words, the authors of these eloquent essays likewise reflect on the meaning of America and on the dedication and sacrifice of those who have made us what we are today. (James M. McPherson, Civil War historian and Pulitzer Prize-winner for "Battle Cry of Freedom: The Civil War Era")

About the Author  
The Abraham Lincoln Presidential Library Foundation is the nonprofit arm of the Abraham Lincoln Presidential Library and Museum in Springfield, Illinois, which has presented the Lincoln legacy to more than 4 million visitors since April 2005. Carla Knorowski is the CEO of the Abraham Lincoln Presidential Library Foundation and writes a regular column for the foundation's magazine, *Four Score and Seven*. A former managing director of the Chicago Humanities Festival, she earned her PhD in public policy and political science from the University of Illinois at Chicago and has been recognized as a Point of Light by President George H. W. Bush and the Points of Light Foundation.
