1 of 1 people found the following review helpful. A must have
By Birch Creek
This is the primary reference for uniform buttons in the US. A must have for collectors. The book I received is like new.
1 of 1 people found the following review helpful. Superb reference book. Every relic hunter needs one.

By Duffy
Excellent reference book at an excellent price! Thanks from Duffy's Digs

Already an enormously popular title - An absolute must for all collectors. More than 3500 actual photos of buttons. Nearly every make and style is represented and identified with key variations shown.
