Kurt Keller, William Keller : United States Army Shoulder Patches and Related Insignia from World War I to Korea: Volume 3: Army Groups, Armies and Corps before purchasing it in order to gage whether or not it would be worth my time, and all praised United States Army Shoulder Patches and Related Insignia from World War I to Korea: Volume 3: Army Groups, Armies and Corps:

1 of 1 people found the following review helpful. Great reference bookBy breachplugAn absolute must addition to the library of anyone who collects military insignia worn during the Second World War. Great photographic examples of individual shoulder sleeve insignia worn by units from World War I, between the wars and World War II0 of 0 people found the following review helpful. Five StarsBy Debbie SheadsGood research0 of 1 people found the following

review helpful. Best in categoryBy David Buckelewawesome

Beginning in the Civil War, the U.S. Army sought to find an effective system to distinguish troops from different units. In the closing days of World War I, it finally arrived at a practical and desirable solution with the adoption of the shoulder patch o
