CLAYthank you!1 of 1 people found the following review helpful. A good introduction to the USMCBy D. D LawsonIf you are looking for a easy to understandable book about the Corp and want to see some good illustrations of the Marines evolving uniforms, then here you go. The only pity that it ends with the end of the war in 'Nam but hey its almost 30 years old book!

This book examines the uniforms, equipment, history and organization of the United States Marine Corps, from 1775, through their service in World Wars I and II, through to Korea (1950-1953) and Vietnam (1955-1975). Uniforms are

shown in full illustrated detail.

From the Publisher Packed with specially commissioned artwork, maps and diagrams, the Men-at-Arms series is an unrivalled illustrated reference on the history, organisation, uniforms and equipment of the world's military forces, past and present.
